

TAIGA

1/2" MINI CHANNEL

Product Code: TAG81350

portals
luxury hardware & accessories

USE

Stationary glass panels must be supported and attached along at least two sides, but the number of clamps needed to secure a panel depends on its size and weight. Type, number, and placement of clamps should be determined by a qualified installer or fabricator.

MATERIALS

Machined brass body and stainless steel fasteners and accessories.

FEATURES

- Solid brass body
- Compatible with 1/2" glass

CARE

Portals products should be cleaned with water and dried with a soft cloth. Use of harsh or abrasive chemicals may harm finish and will void the warranty.
